

**SAMSUNG**

## **Corporate Gifting**

Gift unmatched experiences

Samsung Corporate Gifting options offer much more than just the ordinary. Trusted all over the world, our products represent the latest innovations that are backed by an extensive service network. What's more? They can be easily personalised to add more delight to your business relationships.

# Reasons why our Gifting options are simply unmatched

## **Unmatched personalisation**

Personalised boot and shutdown logo animation allow companies to display their own logo.

Personalised gift cards allow recipients the freedom to choose a product of their choice. These gift cards can be redeemed at [www.samsung.com/in/business/gifting](http://www.samsung.com/in/business/gifting).

## **Unmatched value**

Samsung is one of the leading mobile device brand in the country. This makes our products the perfect gifting choice because of their high perceived value.

Our customised corporate offers are unmatched in the market.

## **Unmatched quality**

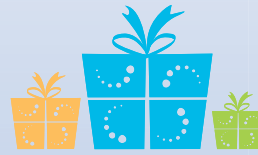

Samsung is one of India's most trusted brand. Each one of our products represent latest innovation and technology. Backed by a large R&D team, the focus is to bring out products which are most suited for Indian conditions under the 'Make for India' initiative.

This is the reason why our products provide a delightful experience for years to come.

## **Unmatched bulk servicing**

Enjoy seamless bulk servicing management from booking to doorstep delivery with multi-location GST billing to claim input tax credit on the purchases. We deliver this unmatched service support through a pan-India service network.
